[ANNA]

Do you want to build a snowman?  
C'mon let's go and play

[ELSA]

I could cover this whole place in snow  
I'm not supposed to though

[ANNA]

Yeah, just do it anyway  
Do it for your sister  
Elsa please, oh please!  
I can't do the things you do

(Spoken)

That's what I'm talking about!

[ELSA and ANNA]

You really want to build that snowman?  
*You know I do!*

We'll stay up late and build that snowman!

*Yes!*

[Both]

Me and you

**Once there was a family beloved by all**  
**A king, a queen, two princesses**  
**And the story starts when they were small**

KING AGNARR

Ladies what have you been up to?

GIRLS

Nothing!

**Elsa was a special child**  
**From her first frozen tear**  
**Her magic filled her parents' hearts**  
**With so much love and fear**

[ELSA, spoken]

Watch this!

# ***Let The Sun Shine On!***

CUB CHOIR SINGS EVERY IN BOLD AND HIGHLIGHTED!

[QUEEN IDUNA, spoken]  
Elsa no! Magic must stay secret  
[ANNA, spoken]  
Why?  
[ANNA]  
Let the sun shine on  
Let our hearts be light  
Like this perfect, happy, shiny, summer day  
{KING and QUEEN}  
Let the sun shine on  
[ANNA]  
'Cause it's alright  
[KING and QUEEN]  
Together we can keep the storm at bay  
[ANNA and ELSA]  
1 2 3 together, clap together  
Snap together, you and me together  
Knees together, freeze together  
Up or down together, princess crown together  
Always be together  
You and me!

**And so the royal family is ever on display**  
**And people loved the princesses**  
**And watch them as they play**

[ANNA, spoken]  
Freeze my butt!  
ELSA  
Oh Anna!

**Let the sun shine on**  
**Let our lives be free**  
**Let the promise of our land be sure and strong**  
**Let our hearts be warmed by this family**  
**All of winter long**

**Let the sun shine on**  
**Over Arendelle**  
**Let the crown be strong**  
**And let your love be true**  
**Bless our daughters fair**  
**Who we love so well**  
**We will look to you**

**Nanana heianan**  
**Na hi ja ha naa!!**
